What's been happening?

The November/December period was a very busy time for our club. Since our last newsletter we have played the 2020 Memorial Pairs, held an invitational triples event, hired the clubrooms out for a birthday party, enjoyed our Christmas break BBQ, held our annual open 4's event, internal club tournament rounds have been played, night owls on Tuesday nights, the final of our handicap singles event, rounds of the championship pairs and singles, Pennant matches on Saturdays, Wednesday Pennants every other week and Thursday Pennant matches. The Probus Club and CWA Wells Girls also have had meetings at the club. So, it has been a busy time at the club and in between we have all celebrated Christmas and New Year – let's hope that 2021 sees a bit more of normality return to our lives.

Christmas BBQ

What a great night!

It was good to see so many partners join Members for the evening.

Thank you to **Yolanda Cannizzaro** and her helpers and **Ian Campbell** and **Grant Devlin** for cooking the BBQ – even if we nearly had to call the CFS crew.

An especially BIG THANK YOU to **Lil Field** who put in the extra hours, Lil's efforts are not always recognised, so next time you are at the club, please thank Lil for volunteering her time also to **Bob Ray** who helps behind the bar.

The proceeds of the Ham raffles run through Nov/Dec enable the club to provide this event free of charge.

Ham & Turkey Triples

In December, **Paul Candlish** set about running an Invitational triples event and in true Paul fashion, it was well supported with 28 teams from places far and wide.

As Invitational tournaments are major fund raisers, Paul decided to run this event as we had to cancel the Good Friday and Anzac Day tournaments earlier in the year.

Lil's bar was well supported by the players and Bob Ray lent a hand when demand was high. Yolly Cannizzaro and her helpers provided a superb Ham and Turkey lunch with Salads.

These events don't just happen, lots of work goes into the planning, preparation and ensuring the club is spick and span for the guests.

As this event was such a success, Paul may add it to the annual calendar.

The winners on the day were a local team of **Ben Smith, Mick Dean and Craig Cahill**. No doubt the Leg Ham and Turkey, they each one, were consumed over Christmas/New Year.

Night Owls
 SOCIAL LAWN BOWLS

The Night Owls are looking for more participants. **Brian & Gwen Johnson** are at the ready to register you on Tuesday evenings from 6.30pm with play starting at 7pm.

You can bring your own team, come with a friend or two or just come on your own. Whether you have never played before or know how to play, everyone is welcome. \$5 per player flat soled shoes are required or play bare footed.

The new Aero bowls purchased with the funds from the Community Fund Grant have been well received and the old black bowls tend to stay in the cupboard most of the time.

COVID Compliance

Remember to sign or log in whenever you arrive at the club, keep your 1.5 metre distance and use the Hand sanitisers.

Pennant News

With two rounds deferred due to COVID lockdowns, the season will be extended by two weeks. Please ensure you put your name on the unavailable list as soon as you know you are unavailable for any of the matches.

The high temperatures over the weekend for round 12 saw the Saturday Pennant matches start in the morning and less ends were played to ensure a result could be achieved and what a result with all three Saturday sides winning.

It was good to see **Margaret Maylin** back on the green after having to miss most of the season due to a problem with her knee. Welcome back to **Kim Knevtt** who re-joined the club, after an absence of 8 years.

The ladder at the time of writing this email:

Saturday:

First side – 2nd – 3 points behind Modbury;

Second side – 2nd – 10 points behind Tranmere Red;

Third side – 9th – 3 points behind Salisbury White –having to forfeit a game due to a lack of sufficient players did not help their cause.

Thursday side – 2nd – 2 points behind Tranmere

Wednesday:

First side – 7th – 20 points behind Gawler who are 4th

Second side – 10th – 9 points ahead of Para Hills (11th) – need a few more wins to avoid relegation.

Overall, the teams are doing well with the exception of the third Saturday side and second Wednesday side.

Remember, if you are moved within a team or to another team, you are not the only one affected, the person whose place you took has also been affected.

GAME DAY

Are you a good team player?

On game day do you:

Arrive early to put out the equipment for the game?

Check the seats are clean before the game and if not, clean them?

Collect up and put the equipment away after the game?

Buy or sell raffle tickets?

Clear your table after afternoon tea?

Personally thank the Bar Manager for running the bar?

Empty the bins after the game?

Collect the empty bottles and cans left outside the clubhouse?

Put up or bring in the flags?

Offer to go on the Afternoon tea roster?

All of the above tasks need doing every time there is a match at home.

How did you rate yourself?

Bottle shop at the "V" in Virginia

RECRUITING PLAYERS & MEMBERS

Did you enjoy playing sport in the past and find you can no longer compete in that sport?

Why not try Lawn Bowls?

You are never too young to play lawn bowls. The members of the Australian Jackaroos team were born in the 1980's and 1990's except one who was born in the 70's?

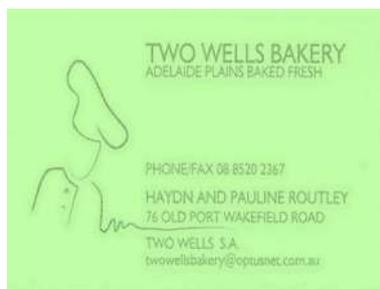

For the even younger brigade, there are State teams for under 18's both boys & girls.

So, if you are anywhere between 12 and 80, why not give it a try?

Our Club is always looking to recruit players both competitive and social.

Bowls can be borrowed to test your skill and prowess.

If you are interested in trying lawn bowls phone Irene: 0417810029

Memorial Pairs

The Memorial pairs for 2020 were played on Sunday 6th December.

With some people putting their name down to play and then not turning up and others not putting their name down to play and then arriving, it made Gwen Johnson's job a little more difficult for drawing out the pairs.

However, we eventually got sorted and congratulations to the winners **Colin Hall and Marilyn Nichols**.

Open Gender Handicap Singles

Scheduling of the finals for this event were delayed due to a COVID lockdown. There was also some drama in relation to the dress code for finals. Sadly, the Secretary put **Richard Magiera** on the wrong tram and he did not have his uniform on to play the in the finals. **Sue Dansie** came to the rescue and allowed Richard to wear her shirt. Thank you Sue!

Congratualtions to Richard who won a hotly contested final from **Colin Glazbrook**.

Other Club Member tournaments

If you are scheduled to play a round in any of the tournaments, please ensure you contact your opponent/s as soon as you know you are to play them. Please don't wait for them to contact you! This will ensure all rounds are completed on time.

If you have any questions in relation to in-house club tournaments, please call Gwen Johnson on 0448979920

January 4's tournament

This event is held on the first Sunday in January and this year that was the 3rd.

Paul Candlish had a full house with 32 teams playing a medley format. The prizemoney was shared around with six teams taking home an envelope and four players a gift.

What great value for a day out, \$25 pays for the games, a snack in the morning with tea or coffee, a roast pork lunch, sweets, snacks after the game and discounted drinks during the lunch break. It is no wonder Bowls is known as an affordable sport plus egg & bacon sandwiches for \$4 on arrival.

Adele Ray did a fantastic job with the raffle and **Colin Hall** took home the first prize a wine fridge. Three of the prizewinning teams had a player who was previously a Member of Two Wells BC, Peter Canala, Jim Barr and Brenton Bain. It was good to see them play & some other old Members on the new surface, that over the years, they contributed to raising the funds to pay for it.

Jim Barr's team from Nuriootpa won the day, Peter Canala's composite team ran second and Brenton Bain's team came third.

These events are a major fundraiser for our club and we thank all of the Members who volunteered in the kitchen, the bar, selling raffle tickets, preparing the greens for play, cleaning the surrounds, setting up and cleaning up. Also to the Members who play in other club tournaments which assists in the recruitment of teams to play at Two Wells.

Paul's effort with these events is immeasurable, not just financially but also for our club's reputation as a great place to play a tournament.

Club Maintenance

There is always something that needs attention.

Ian Telfer has a list of jobs that need doing, so if you have an hour or two to spare, why not ask Ian if there is anything you can do around the club.

The wire screens on the windows around the bar area, need clips attached to them so that they remain in place and don't let the bugs in.

There is a sheet or two of iron that needs to be put back on the shelter behind "A" green.

The garden beside the playground needs some garden loam put in and some of the sand removed to so that Doug Burford can reclaim it for the garden.

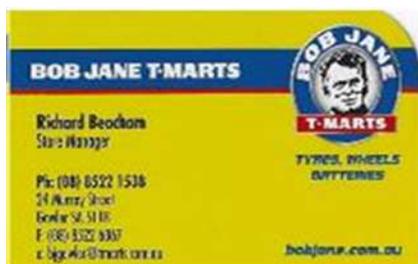

Painting the rear and eastern end of the clubhouse, near the kitchen, has been on the maintenance list for a couple of years. As there has not been a volunteer come forward to undertake this task, quotes will be obtained for a professional painter to undertake the work.

The drain for the evaporative air conditioner in the bar area has been fixed. The jade bush beside the bar area has been trimmed back.

MEMBER'S DRAW

5pm every Thursday afternoon
To be eligible to win the cash you must be **at the club at 5pm** and be a financial Member.

Board of Mgmt News

The Club's Business Plan was written approximately 10 years ago and has been reviewed annually with some minor changes made along the way.

At the January meeting the Board looked at the dot points in the vision and rated its performance against each one. Some had been achieved, some were being met, some not and others need more work.

It is now time to look at the vision and goals, within the plan and determine if they are still in line with the current Membership views.

Once we have determined what the vision and goals are, strategies are then required to be developed as to how to achieve the vision and goals.

Other parts of the plan also need to be revised due to the changing demographics and growth within the township.

Over the next couple of months, a draft of a replacement Business Plan will be prepared, so if you have any views on what should be included in the plan, have a chat with Irene Giannikos or one of the Board Members, sooner rather than later. Don't put it off your views are important. If you want a copy of the business plan it is available on the club web site <https://www.sporty.com.au/twowellsbowling/Management-1/Documents>

It is your club so it is vitally important to take into consideration, the views of the Members and not just the Board of Management.

SUGGESTION BOX

Do you have a suggestion that you think will improve our Club? Or do you have an idea as to how we could do things better? The box is emptied before each Board Meeting.
