## CLUB MEMBER TOURNAMENT NEWS

Most of the Tournaments have been completed, so congratulations to all the winners and runners-up, we saw some really interesting games. To all the other players thank you for taking part without you there would be no Tournaments. Better luck next year. I, personally would like to thank you all, it has been a wonderful experience and I apologise for some of the blunders that I made, but we all learn from our mistakes. I really did enjoy the challenge, so once again, thank you. **Gwen Johnson**

## WINTER BOWLS AT TWO WELLS

There is a survey on the notice board where you can select your preference for the format etc.

Not sure of the start date, at the time of preparing this Newsletter.

## BILL MILTON TRUST

For the newer Members who don't know who Bill Milton was, Bill was a President, Patron and Life Member of the Club and played a major role in the construction of the clubhouse extensions.

Bill set up a trust fund for the club, whereby we received dividends during his lifetime and the principal plus accrued interest was paid to the club from his Estate.

As both Bill and his wife Gloria have passed away, Bill's daughter Kaye Boon has transferred the funds to the club.

The Board of Management made a decision that when the funds were received an outdoor BBQ area would be set up in Bill's name.

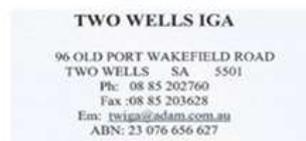

## BBQ AREA

Thank you to the Members who submitted suggestions for our BBQ area.

A presentation of the plan will be available at the AGM for comment.

Bottle shop at the "V" in Virginia

## PAVERS

I have been asked "what are you going to do with the Member's pavers"?

The pavers will be laid in the BBQ area.

If you would like to purchase a paver and have your name etched on it, have a chat with Irene.

## RECRUITING PLAYERS & MEMBERS

Did you enjoy playing sport in the past and find you can no longer compete in that sport?

**Why not try Lawn Bowls?**

You are never too young to play lawn bowls. Most of the members of the Australian team were born in the 1980's and 1990's.

**So, if you are anywhere between 12 and 80, why not give it a try?**

Give Irene Giannikos P: 0417810029 or Ian Campbell a call P: 0418 566 870.

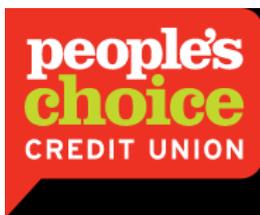

Bowls can be borrowed to test your skill and prowess.

Thank you for contributing to the raffle and making donations towards the Community Breakthrough round. The fundraising efforts will fund mental health research as well as mental health, first aid programs, in sporting clubs throughout South Australia.

This is something all clubs need to be aware of take the time to check on the mental health of all Members. Your club **raised \$570.**

The People's Choice lottery was conducted with only on-line ticket sales. The club traditionally has raised \$2000 per year over the last 8 or 9 years, however **this year we raised \$980.** Thank you to all you who purchased a block or two of 10 tickets. The winning numbers are posted on the notice board.

## HAVE A SMILE

Over in the UK a very pretty young speech therapist was getting nowhere with her “Stammers Action Group”. She had tried every technique in the book without the slightest success, no-one was improving.

Finally, thoroughly exasperated, she said “If any of you can tell me, without stuttering, the name of the town where you were born, I will have passionate sex with you until your muscles ache and your eyes water. So, who wants to go first”?

The Englishman piped up “B-b-b-b-b-irmingham. “That’s no use, Trevor” said the speech therapist. “Who’s next?”

The Scotsman raised his hand and blurted out “P-p-p-p-p-aisley”.

“That’s no better. There’ll be no passionate sex for you, I’m afraid”

“How about you Paddy?” said the Speech Therapist?”

The Irishman took a deep breath and eventually blurted out “London”

“Brilliant, Paddy” said the speech therapist and immediately set about living up to her promise.

After a few minutes of steamy sex, the couple paused for breath and Paddy said “-d-d-d-d-erry”!!!!

Apparently it’s only appropriate to say: “Look at you, you’ve got so big” to children.

Adults tend to get offended

## MEDICAL HUMOUR

A small boy named Arthur lived in the village of Halkirk . He was not popular with his classmates because of his stupidity, especially his teacher, who was always yelling at him

"You are driving me crazy Arthur!!!!!"

One day Arthur's mother came into school to check on how he was doing. The teacher told his mother honestly, that her son is simply a disaster, getting very low marks and even she had never seen such an inept boy in her entire teaching career!!!!

The mother was shocked at the feedback and withdrew her son from the school & moved down south!!!!

25 years later, the teacher was diagnosed with an incurable cardio disease!

All the doctors strongly advised her to have open heart surgery, which only one surgeon could perform..... Left with no other options, the teacher decided to have the operation, which was successful.....

When she opened her eyes after the surgery, she saw a handsome doctor smiling down at her! She wanted to thank him, but could not talk. Her face started to turn blue, she raised her hand, trying to tell him something but eventually died!

The doctor was shocked and was trying to work out what went wrong, when he turned around, he saw Arthur, working as a cleaner in the clinic, who had unplugged the oxygen equipment to connect his Hoover!!!!!

**Aha you thought that Arthur became a doctor!**
